DIANA BLAKE DESIGN

The business was formed in 1998 after extensive experience in the industry in Hamilton. Diana Blake Design loves a challenge and provide a professional, friendly and exceptional service to their clients.

They specialise in residential projects including new homes and additions and alterations to existing. They also do work in the retail, hospitality and service industries including kindergartens, schools, churches and restaurants.

Their scope of work ranges from concept design only, preparation of building consent plans and specifications, submission and approval of building consent, tendering or full project management depending on the clients requirements.

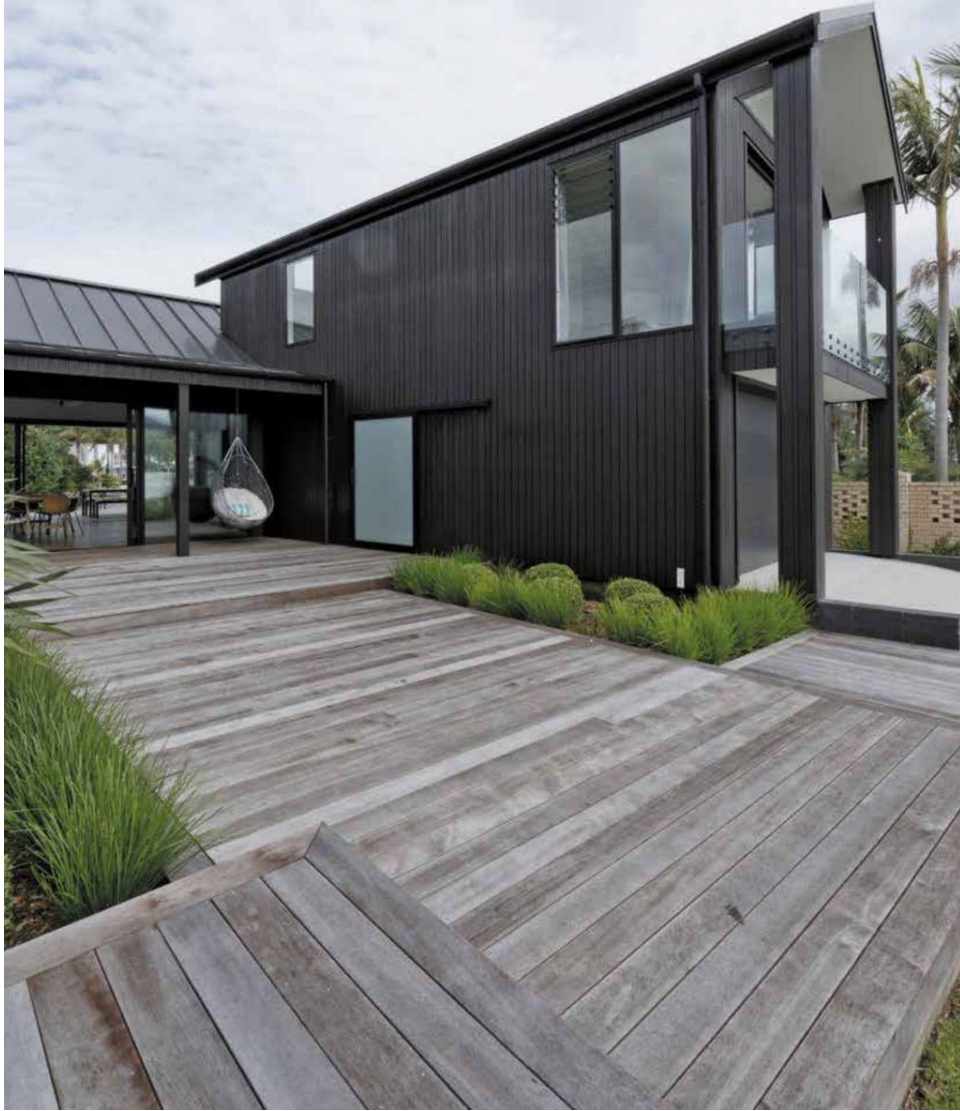

Diana Blake Design loves architecture in New Zealand as it is a very exciting industry to be involved in due to client diversity and willingness to embrace good design.
